

## REMARKS

Claims 1-39 are presented for examination. Claims 1, 3-14, 18-20, 24-28, 30, 32, 34 and 36-39 have been amended to remove improper multiple dependencies and place the claims in better form for practice before the United States Patent and Trademark Office. Claims 40 and 41 have been cancelled. Favorable consideration of the present claims is respectfully requested.

The Examiner will note that the Article 19 amendment and the original claims in the international application are missing claim 28. Applicants submitted a letter dated January 14, 2004 to the international bureau correcting this error by renumbering claims 29 to 42 to 28 to 41. A copy of this letter is enclosed with the submission under 35 U.S.C. 371. The claims as amended herein are those corrected by the January 14, 2004 letter.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,
